**ALL TIGERFLEX<sup>™</sup> AND KURI TEC<sup>®</sup>  
FOOD GRADE HOSES ARE NOW  
PHTHALATE FREE**

- All Tigerflex<sup>™</sup> and Kuri Tec<sup>®</sup> food grade hoses are now manufactured from all phthalate free materials.
- We have responded to the food processing and pharmaceutical industries to use products that do not contain phthalates.
- Our food grade hoses have always met various FDA, NSF, USDA and 3A standards, but with the added benefit of now being phthalate free.
